Independent Auditors' Report

The Board of Directors
Junior Achievement of New York, Inc.:

We have audited the accompanying financial statements of Junior Achievement of New York, Inc., which comprise the statements of financial position as of June 30, 2014 and 2013, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Junior Achievement of New York, Inc. as of June 30, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with U.S. generally accepted accounting principles.

JUNIOR ACHIEVEMENT OF NEW YORK, INC.

Notes to Financial Statements

June 30, 2014 and 2013

(1) Description of Organization

The mission of Junior Achievement of New York, Inc. (JA New York) is to inspire and prepare young people to succeed in a global economy. Through a dedicated volunteer network of corporate and community individuals, JA New York provides high-quality K-12 in-school, workplace-based, after-school, and summer educational programs. JA New York educational programs impact important societal issues including youth development, economic development, and education development, and focus on three key content areas: work readiness, entrepreneurship, and financial literacy.

JA New York is a New York not-for-profit corporation and a franchise of JA USA, formerly JA Worldwide. JA New York serves the five boroughs of New York City and Long Island.

(2) Summary of Significant Accounting Policies

The accompanying financial statements of JA New York have been prepared on the accrual basis. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

(a) Basis of Presentation

JA New York's net assets and revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, its net assets and changes therein are classified and reported as follows:

Unrestricted net assets – net assets that are not subject to donor-imposed restrictions.

Temporarily restricted net assets – net assets subject to donor-imposed restrictions that will be met either by actions of JA New York and/or by the passage of time.

Permanently restricted net assets – net assets subject to donor-imposed restrictions that stipulate that resources be maintained permanently, but permit JA New York to use the income derived from the donated assets. At June 30, 2014 and 2013, there were no permanently restricted net assets.

Revenues and gains and losses on other assets or liabilities are reported as changes in unrestricted net assets unless their use is limited by explicit donor-imposed restrictions or by law. Expenses are reported as decreases in unrestricted net assets. Expiration of temporary restrictions on net assets is reported as net assets released from restrictions.

(b) Cash Equivalents

JA New York considers all highly liquid financial instruments with an original maturity of three months or less to be cash equivalents.

JUNIOR ACHIEVEMENT OF NEW YORK, INC.

Notes to Financial Statements

June 30, 2014 and 2013

(c) ***Inventory***

Inventory is recorded at the lower of cost or market, cost being determined on a first-in, first-out (FIFO) basis. Inventory primarily consists of education and program materials, including Junior Achievement program kits, textbooks, training materials, and related marketing materials. Management analyzes inventory for obsolescence and records an allowance for obsolescent inventory, if necessary.

(d) ***Fixed Assets***

Fixed assets are recorded at cost if purchased, or fair value at date of gift, if donated. Depreciation is recorded using the straight-line method over the estimated useful lives of the assets, which range from three to ten years.

(e) ***Contributions***

Contributions and special events revenue, which include unconditional promises to give or pledges, are recognized, at fair value, as revenue in the period received. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met. Unconditional pledges to be paid in future years are discounted to a present value using a risk-adjusted discount rate. Amortization of the discount is recorded as additional contribution revenue over the life of the commitment. Any decreases in the quantity or nature of assets expected to be received subsequent to the initial recognition of the pledge are reported as a loss in the applicable net asset class.

Contributions of assets other than cash are recorded at their estimated fair value. Contributions of property and equipment are recorded as increases in temporarily restricted net assets, which are released from restriction as depreciated.

(f) ***In-Kind Contributions***

In-kind contributions are recognized as revenue and expense or assets at the fair value of those goods and services provided they meet the criteria for recognition. In-kind contributions principally consist of professional services, public relations, program event space, and donated software and hardware.

(g) ***Participation Fees***

Each franchised Junior Achievement area is required to pay franchise fees (participation payments) to the national organization, JA USA, on all contributions, special events income, and certain grant income raised in its territory in accordance with a scale established by the board of directors of JA USA and ratified by the areas. Such amounts are recorded as a reduction of revenue, and amounted to approximately \$89,000 and \$81,500 in fiscal years 2014 and 2013, respectively.

(h) ***Use of Estimates***

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and judgments that affect the reported amounts of assets, liabilities, and disclosures of contingencies at the date of the financial statements, and revenues and expenses recognized during the reporting period. Significant estimates include the fair

Notes to Financial Statements

value of contributions, including in-kind contributions; the allowance for uncollectible contributions and special events receivable; and the allocation of expenses by functional category. Actual results could differ from those estimates.

(i) *Income Taxes*

JA New York is a not-for-profit organization that has been classified by the Internal Revenue Service as exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and has been designated as an organization which is not a private foundation. JA New York recognizes the impact of income tax positions only if those positions are more likely than not of being sustained. Income generated from activities unrelated to JA New York's tax-exempt purpose is subject to tax under Internal Revenue Code Section 511. JA New York did not have any material unrelated business income tax liability for the years ended June 30, 2014 and 2013.

(j) *Nonoperating Activities*

Nonoperating activities in the accompanying statements of activities include losses on pledges and nonrecurring activities.

(k) *Functional Allocation of Expenses*

The costs of providing programs and other activities have been summarized by programs and supporting services benefited in the statements of activities and functional expenses. Accordingly, certain costs have been allocated among the program and supporting services.

(l) *Reclassification*

Certain prior year amounts have been reclassified to conform with the current year presentation.

(m) *Subsequent Events*

In connection with the preparation of the financial statements, JA New York evaluated events after the statement of financial position date of June 30, 2014 through October 15, 2014, the date the financial statements were available to be issued, and determined that there were no additional matters that are required to be disclosed.

(3) Contributions and Special Events Revenue and Receivables

Contributions and special events receivable at June 30, 2014 and 2013 are scheduled to be collected as follows:

	<u>2014</u>	<u>2013</u>
Less than 1 year	\$ 510,694	711,426
Greater than 5 years	<u>1,000,000</u>	<u>1,000,000</u>
	1,510,694	1,711,426
Unamortized discount (4.59%)	<u>(416,396)</u>	<u>(450,785)</u>
	<u>\$ 1,094,298</u>	<u>1,260,641</u>

One pledge accounted for approximately 66% of gross contributions and special events receivable (53% of net contributions and special events receivable) at June 30, 2014. Two pledges accounted for approximately 70% of gross contributions and special events receivable (59% of net contributions and special events receivable) at June 30, 2013.

In fiscal year 2009, JA New York received a \$1 million grant from NASDAQ, scheduled to be paid in five equal installments from fiscal year 2010 through 2014. As of June 30, 2014, all payments have been collected. This grant supports the JA New York Business Plan Competition over the five years. In fiscal year 2009, contributions revenue and receivable were recognized at the present value of the estimated future benefits to be received. The receivable was adjusted annually based on payments and accretion of the discount.

In fiscal year 2008, JA New York received a \$1 million pledge from the Halbert family, which will be partially funded through an irrevocable charitable remainder unitrust. In fiscal year 2008, contributions revenue and receivable were recognized at the present value of the estimated future benefits to be received upon the death of the trust beneficiaries. The receivable is adjusted during the term of the trust for accretion of the discount and other changes in the estimate of future benefits, and is expected to be collected in more than five years.

Contributions and special events revenue in fiscal years 2014 and 2013 include \$263,514 and \$207,533, respectively, collected on behalf of JA New York by JA USA. At June 30, 2014 and 2013, contributions and special events receivables include approximately \$78,600 and \$71,900, respectively, due from JA USA related to such amounts.

Approximately 80% and 69% of contributions and special event revenue during fiscal years 2014 and 2013, respectively, were received from members of the board and their affiliated entities.

In November 2013, JA New York received the first \$10,000 installment from an irrevocable agreement by Manuel H. Barron to support the annual Manuel H. and Claire Barron Scholarship awarded to the Student of the Year over a ten-year period through 2022. Under the agreement, Mr. Barron confirmed his intention to request aggregate distributions totaling \$100,000 from a donor-advised fund, which holds the assets being used to fund the gift to JA New York. As the donor-advised fund has variance power over the assets,

the remaining installments will be recognized as contribution revenue by JA New York when received from, or unconditionally promised by, the donor-advised fund.

JUNIOR ACHIEVEMENT OF NEW YORK, INC.

Notes to Financial Statements

June 30, 2014 and 2013

Rent expense, including utilities, was approximately \$284,000 and \$282,000 for the years ended June 30, 2014 and 2013, respectively, and is included in office and occupancy expense in the accompanying statements of functional expenses.

In conjunction with the lease, the landlord holds a security deposit from JA New York (\$99,765 at June 30, 2014 and 2013), which is included in other assets. The security deposit may be reduced at the option of JA New York to \$59,859 after August 1, 2017.

Capital lease obligations relate to two equipment capital leases entered into by JA New York in fiscal year 2012. The leases bear interest at approximately 7.4% and 12.3% and expire in fiscal year 2015.

(7) Pension and Health Plans

JA New York participates in three plans administered by JA USA which are accounted for as multiemployer plans. The risks to JA New York of participating in multiemployer plans are different from single-employer plans in the following aspects:

1. Assets contributed to the multiemployer plan by one employer may be used to provide benefits to employees of other participating employers.
2. If a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers.
3. If a participating employer chooses to stop participating in the multiemployer plan, the employer may be required to pay the plan an amount based on the underfunded status of the plan, referred to as a withdrawal liability.

Multiemployer Pension Plan

JA New York offers a noncontributory defined benefit pension plan (the Pension Plan) to its employees. The Pension Plan covers all full-time employees of JA New York. Benefits are determined based on years of service and salary history. The Pension Plan's assets are invested in various investment funds. The respective participants' employers are required to fund the Pension Plan, as determined necessary by JA USA's board of directors, based on an annual actuarial valuation. JA New York makes contributions equal to 16.75% of participants' eligible compensation. Additionally, the Pension Plan requires that participating members who withdraw from the Pension Plan remain liable for any previous funding obligations under the Pension Plan. Accordingly, JA New York recognizes, as net pension cost, the required contribution for the period and recognizes, as a liability, any contributions due and unpaid. Pension cost for the years ended June 30, 2014 and 2013 was \$223,494 and \$229,784, respectively. There is no recognition of the funded status of the Pension Plan in the financial statements of JA New York.

JA New York's participation in the Pension Plan is outlined in the table below. The "EIN/Pension Plan Number" column provides the Employee Identification Number (EIN) and the three-digit plan number. Contributions made by JA New York represented less than 5% of total plan contributions.

Health and Welfare Benefits Trust

JA New York participates in a self-funded medical, dental, and other benefits plan covering full-time employees of JA New York and their beneficiaries and covered dependents. Premiums are paid into the plan for each participant by JA New York. All the assets and liabilities of the plan are held in the Junior Achievement USA Health and Welfare Benefits Trust (Benefits Trust). Accordingly, no balances or transactions of the Benefits Trust are recorded in the financial statements of JA New York.

Postretirement Benefits Plan

JA New York participates in a postretirement benefits plan, which offers healthcare benefits to retired personnel of JA New York. This creates an implicit rate subsidy, which is considered to be a postretirement benefit. Management of JA New York does not believe the implicit rate subsidy amount to be material to JA New York, especially since the plan is a multiemployer plan. Accordingly, no balances or transactions of the plan are recorded in the financial statements of JA New York.

JA New York's premium expense for the Health and Welfare Benefits Trust and the Postretirement Benefits Plan for the years ended June 30, 2014 and 2013 was \$140,371 and \$154,939, respectively.
