What is Play 4 JA?

Play 4 JA gives groups the opportunity to have fun as a team participating in the activities they enjoy most. Whether used for team building, client entertainment or just an overall fun time, this is the perfect event for any size group. If your company has a pre-existing activity, make JA the beneficiary! Don't have a pre-existing event? No problem! Consider hosting: softball game, wine tasting, cupcake wars, golf tournament, karaoke contest, game night.

Your donations will help Junior Achievement prepare New York City and Long Island students to thrive in the 21st century workplace and global economy by inspiring a passion in free enterprise and entrepreneurship, and instilling an understanding of personal financial literacy.
