

## 2014-15 SCHOOL & COMMUNITY PARTNERSHIPS

### GOLD SCHOOL PARTNERSHIPS

A Gold partnership demonstrates the highest level of engagement a school can have with JA New York programming. Consistent participation in school-wide programming distinguishes our Gold elementary school partnerships. This means that students receive sequential JA curricula at every grade level. At the middle and high school level, Gold partner schools collaborate with us to build and complete an individualized school plan, including both in-school and workplace-based programming experiences for full grade levels.
